

GREENE COUNTY BUILDING DEPARTMENT

POLICY AND PROCEDURES

THIRD PARTY INSPECTIONS

Each building official charged with the enforcement of the USBC shall have a written policy establishing the minimum acceptable qualifications for third-party inspectors. The policy shall include the format and time frame required for submission of reports, any prequalification or pre-approval requirements and any other requirements and procedures established by the building official.

General:

- Third party inspectors are not allowed to grant modifications to the Uniform Statewide Building Code (USBC). Application for modifications must be submitted to the Greene County Building Official in writing.
- Board of Building Code Appeals is only authorized to hear appeals against the local governing body.
- Third Party Inspectors are not allowed to inspect their own work.
- Third Party Inspectors shall use inspections tickets provided by the Greene County Inspections Office for residential inspections. Daily logs indicating completed inspections are required for commercial inspections.
- Third Party Inspectors shall notify the Greene County Inspection's Office 48 hours prior to residential inspection by either phone or fax. Notification is NOT required for commercial projects provided Greene County Building Official has received notification of the use of the third party inspection prior to the start of construction.

Qualifications – Required for approval

- Virginia Registered Design Professional (RDP)
 - Must provide Building Official with a current copy of Virginia Certification License as Professional Engineer/Architect. Each inspection or plan review must be signed and seal by RDP.
- ICC/Virginia Certified Inspectors
 - Must provide Greene County Building Official with a copy of certifications obtained through the Board of Housing and Community Development or International Code Council.
- Insurance Requirements
 - Must provide Building Official with a current copy of liability insurance providing a minimum of one million dollar professional liability per claim

**NOTE: ALL FINAL INSPECTIONS MUST BE DONE BY THE GREENE COUNTY INSPECTIONS DEPARTMENT.
NO THIRD PARTY INSPECTOR'S ARE ALLOWED TO CONDUCT FINAL INSPECTIONS**

Procedures

- Third Party Inspectors shall provide a written Inspection Report to the Greene County Building Department within 48 hours of an inspection. This report shall include the following:
 - (1) Building Permit Number
 - (2) Location of Inspection including 911 address
 - (3) Inspection completed either Pass/Fail
 - (4) Time/Date of Inspection
 - (5) Signature of Inspector
- It is the responsibility of the contractor, homeowner, or Third Party Inspector to insure that we receive these reports as stated above.
- Failure to receive Inspection Reports will be considered failed inspections and must be re-inspected either by the county or a third party. If Greene County Inspections fail an inspection, third party may not re-inspect.
- Greene County Inspections reserves the right to do spot inspections to ensure that the Uniform Statewide Building Code is being properly enforced.
- The Greene County Building Official may revoke your opportunity to do third party inspections for any of the following conditions.
 - (1) Failure to follow procedures outlined above.
 - (2) Failure to properly enforce the provisions of the Uniform Statewide Building Code.
 - (3) False Inspection Reports
 - (4) Failure to maintain insurance requirements or license requirements.

Approved by the Greene County Board of Supervisors
